

SEVERE WEATHER ALERT

With the forecast calling for sub-freezing temperatures and some snow, King County offers tips, information, and severe winter shelter locations. For now, there are five winter shelters available in Bellevue, Seattle, Renton and Shoreline. King County has prepared a substantial webpage with relevant information including:

- Travel Tips
- Weather impacts on COVID-19 vaccine sites, testing and COVID-19 safety.
- Winter mask tips.
- Preparedness resources for people and pets.
- Severe Winter Weather Shelters.
- Garbage and recycling services affected by weather.
- Power outages.

COVID-19 POSITIVE AND SEEKING SHELTER?

Public Health is using their normal referral process: use public health COVID call center for medical questions/consultation - 8 am to 7pm daily 206-477-3977
